EXECUTIVE PROFILE

Computer Science graduate and full-stack web developer with hands-on experience building Flask/FastAPI backends, React front-ends, and REST APIs. Skilled in authentication, role-based access control, database design, and API integration. A fast learner and committed individual, seeking a software engineering internship or entry-level developer role.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React, Bootstrap 5, Responsive Web Design, UI/UX Implementation

Backend: Python, Flask, FastAPI, REST API Development & Integration, Authentication & Role-Based Access Control, Email Integration/SMTP, File Uploads

Databases: SQLite, PostgreSQL, MySQL, SQLAlchemy / Flask-SQLAlchemy, Database Design & Management

Frameworks & Libraries: Flask-Login, Flask-Migrate, Flask-Mail, ReportLab, Pillow (PIL)

Developer Tools: MCP / Backend AI Assistant Integration (where applicable)

Cloud & Deployment: Render, Vercel, Environment Variable Configuration, Production Database Configuration

Version Control: Git, GitHub

Other Technical Skills: PC & Mobile Hardware Specifications, System Diagnostics & Installation, Software/Gaming Installation, Graphic Design & Branding

Soft Skills: Multitasking & Problem-Solving, Team Collaboration, Fast Learner/Adaptability

PROJECTS

Personal Portfolio Website — HTML, CSS, JavaScript, React

- Built and later rebuilt as a React application, live at my-portfolio-one-lake-33.vercel.app
- Implemented responsive layouts to showcase projects and skill set across devices
- Integrated EmailJS to power a functional contact form
- Added live project iframe previews and a typewriter animation in the hero section

Responsive Landing Page — HTML5, CSS3 (Flexbox/Grid, Media Queries)

- Built a fully responsive landing page using modern CSS layout techniques for cross-device compatibility

Digital Staff Management System — Flask, SQLAlchemy, SQLite/PostgreSQL, Bootstrap — SIWES/Industrial Training Project

- Developed a staff management web application during SIWES/industrial training
- Implemented authentication, user roles, admin management, and staff profiles
- Added file uploads, email functionality (Flask-Mail), data export (ReportLab), and activity monitoring

E-commerce Marketplace Backend — Python, FastAPI

- Contributed to a FastAPI-based e-commerce backend
- Explored AI assistant integration for backend workflows such as product management and SEO-related tasks

Academic Project Supervision Platform — Flask, MySQL — Final-Year Project, LASU

- Built a web platform for supervising and tracking student academic projects

School Website — Tio College — HTML, CSS, JavaScript, React

- Built a school website for a secondary school located in Itamaga, Ikorodu

PROFESSIONAL WORK EXPERIENCE

- **Personal Assistant to the MD/CEO Davabol Nigeria Ltd** — Coordinated executive administrative operations, managed documentation and correspondence and facilitated scheduling day-to-day activities to support business operations within a Multi venture Company which involves Engineering, Logistics and Education. — April 2025 *till date*
- **Junior Web Design Assistant, Ministry of Science and Technology, Ikeja, Lagos State** — Supported the design and development of web-based solutions, assisting with website updates, content management, and basic technical support while contributing to the ministry's digital operations — *March 2024 — March 2025.*

EDUCATION

- B.Sc. Computer Science- 2nd Class Honours (Upper Division) – 3.88/5.0 — 2026
- West African Senior School Certificate Examination (WASSCE), Oriwu Model College, Igbogbo, Ikorodu — 2022
- Primary School Leaving Certificate, Lagos State Model Nursery & Primary School — 2016

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Certificate in Web Design (Upper Credit) — GlobalTech World Computer Institute — November 2022 (HTML, CSS, JavaScript, graphic design, and ICT fundamentals)
- Certificate in Microsoft Generative Ai(Offered by Nigeria Learning Passport) —2026
- Certificate in Claude (Anthropic's)Ai Fluency: Framework and foundations — 2026
- SIWES/Industrial Training Completion at Ministry of Science and Technology, Ikeja, Lagos State — 2025
